

# SUMMIT CLUB EVENTS ~ HELENA

February 2008

Dear Summit Club Members:

*"Life is not measured by the length of days, but by the moments that take our breath away"*

"Whew!" We made it through! Happy New Year! We are all on the same page getting used to writing "2008". We had the largest group in our history at our Christmas party. The entertainment was phenomenal. Next year will top this; we are already planning.

It was a great turn out and start to our First Thursday "Chat-n-Chew". We played a fun game of MWB Poker, learned of three new up coming trips, received a CD rate coupon, fresh baked cookies and fellowship. This month's speaker, Judy Brennan educated us on Identity Theft. It was great to learn how to protect ourselves. Mark your calendar; you won't want to miss the next one!

We thought you might like to know that the Summit Club membership has grown to over 4,500 in Helena alone, statewide there are over 11,000 summit members. This does not happen by accident! We appreciate the friendship and relationship with all of our customers - our desire is to meet your financial needs as well as social needs. You can see this by the many events on our upcoming calendar.

"Hometown banking" is our motto - you can count on us. The coffee is always on and all of our customer service representatives are

trained and able to assist you with all your financial needs. See you soon!

Joanie and Cheryl
